TODAYS VISITORS

Redditch Borough

The club formed in 2006 as a children's football team based at Churchill Middle School, Redditch by Julian Workman.

The club remained at the school until 2012, and at this point had grown to twelve teams. Redditch Borough Football Club then moved due to new league sanctions on female football to the Valley Stadium which is the home of Redditch United and rented the facility until

2017.

During this time, the club grew to twenty-eight teams, six female teams and twenty-two male teams with a first team men's which joined the Midland Football League for the 2013- 2014 season.

Our very own home became a reality in April 2017, when the club moved into the old Mettis Sports & Social Club in Batchley, Redditch and then rewarded three years later with a 30- year lease by the company in May 2020 for the complete twelve-acre site including six tennis courts and a crown green bowls facility

In the first five years of our tenure the focus has been the redevelopment of the site, and now we are immensely proud to call the club 'home.'

The club has grown in stature over recent years, both in male, female, and inclusive football. We are a 3-Star England Accredited Football Club with 40 affiliated teams. We have the largest female section in Worcestershire which has the 1st team women's playing at Tier 5 of the women's football pyramid.

Our Inclusive section is award winning and has five teams from U12s to adults. With our senior men's team now at Step 6 of the men's pyramid, the club has solid foundations and good sustainability to support this season's target of promotion to Step 5. We look forward to the next 25 years with great optimism and excitement of what is to come for the club.

By Jon Couch

JUST 75 days after Crystal Palace stunned Manchester City to lift the FA Cup at Wembley for the first time in their history, the world's most famous cup competition is back for its latest instalment.

Indeed, it seems almost unfathomable that, in the week the kids break up for their school holidays, the summer is all but over in the world of Non-League football with the 2025-26 campaign already up and running. Where did the time go?

The first name etched in the history books for the new campaign is Sherman Artmeladze. His goal after just two minutes of Soul Tower Hamlets' 5-2 Essex Senior League win at White Ensign last Friday night handed him the accolade as English football's first goalscorer of 2025-26.

It's very rare for The NLP to report on competitive football in the month of July, but it was great to sink our teeth into a bit of league action last Saturday with no fewer than ten Step 5 and 6 leagues kicking off and getting valuable minutes in the tank ahead of this week's potentially lucrative FA Cup opener.

Western League side Ivybridge Town, Westside, of Combined Counties League Division One, and Eastern Counties Leaguers Fakenham Town hit the ground running with seven-day openers, but star of the show was veteran former Notts County striker Craig Westcarr, who hit four goals in Sherwood Colliery's 5-1 opening-day victory at Gresley Rovers in United Counties League Premier North - still banging them in at the age of 40.

So, the perfect pre-cursor then to the big FA Cup curtain-raiser on Friday night with seven matches to whet the appetite for the weekend.

And it's one of those matches which throws up one of those quirky tales from which the FA Cup never fails to disappoint.

When NPL West side Bootle take on Midland Leaguers 1874 Northwich in a big battle of the north-west, it will prove to be a proud day for the Woolley family.

Bootle's attacking midfielder Joe Woolley is a player who loves to dribble and take on his man, but the chances are the man wearing 1874 Northwich colours trying to stop him making forward progress will be his older brother Matt.

And that's not it, as Matt will be able to count on back-up in the form of middle sibling Jack, who completed a transfer from neighbours Winsford United to 1874 this summer.

"I've mentioned to people at work that I'm playing in the FA Cup, and they loved it when I told them I'd be up against two of my brothers - it's an added reason for them to come and watch," Joe told The NLP.

And Matt added: "It's always weird when you come up against your close friends in a game, maybe more so if it's your brother because it's so rare.

"I don't think I've got the better of him yet either, although I do remember him turning up for Christmas dinner once with a big grin on his face after scoring against us for Kidsgrove the previous Saturday.

"Dad [Stewart] will just want us to play well no matter what the result is," added Matt, 1874's record appearance holder and the only player to have featured every season since the club's formation.

"Nobody would choose to play an FA Cup tie as their first competitive game and we'll probably start as underdogs, but we're hoping to catch Bootle cold and sneak through if we can."

This week, the FA Cup trophy paid a visit to Step 5 new boys Harwich & Parkeston, taking their place in the competition for the first time in six years on the club's 150th anniversary.

The Shrimpers have prestigious history in English football, having reached the FA Amateur Cup final in 1953 where they played at the old Wembley Stadium in front of a reported Non-League record crowd of 100,000 people.

Among those in attendance that day was Harwich club president Terry Francis whom, at the age of 87, was at the club's Royal Oak ground to see the FA Cup in all its glory.

"It's a great honour for the club to get the FA Cup here at the Oak," he told The NLP this week. "It's our 150th anniversary later this year so it ties in wonderfully."

So, another year, and another place in history at stake. Who will be the headline makers this time round? The FA Cup is back.

BEWDLEY TOWN F.C.

A BRIEF HISTORY

Bewdley Town Football Club, as it is now known, was formed in 1978, following over 90 years competing under various local names, one of which has been resurrected recently by the youth section as Bewdley Comrades.

The club was formed with the merger of two local teams, Bewdley Old Boys F.C and Woodcolliers FC, the latter who played on a Sunday and both originally playing at Gardeners Meadow in Bewdley. The ground at Gardeners Meadow was sold for re-development which meant the club had to seek a new venue and moved temporarily to Kidderminster. A massive fundraising project commenced, which enabled the club to purchase land and return to Bewdley, to their home Ribbesford Meadows under the guidance of Robert Burns.

After playing in the Kidderminster and District Leagues, the main senior side under the management of Craig Payton and Chairman Geoff Edwards, joined in 1999, the West Midlands Regional League Division One South. Prior to this Ribbesford Meadows had been an on going project, providing football facilities for all ages including, youth football in the Stourport and District League and Midlands Floodlit League, adult football in the Kidderminster and District League, and can boast being one of the first clubs in Worcestershire in 1993 under FA Coach Chris Middleton to start a Mini Soccer Centre. This centre is still in operation, and draws children of all abilities from the age of 4, from all areas of the Wyre Forest region, under the expert tuition of FA Coach Wayne Payton and co-ordinator Jo Payton, and their team of qualified coaches.

In 2005, Bewdley Town finished runners up in Division 1 and gained promotion to the West Midlands Premier League, however in order for them to compete at this level, they had to rent the facilities of near rivals Stourport Swifts. In 2006 permission was granted to build stands and erect floodlights, and in their second season, finished third in the league, having lead for much of it, only being thwarted from possibly winning the league, by bad floods meaning them having to play a large number of games in a short period at the end of the season eventually having its toll on the players, if they had won the league however, they would not have been granted promotion due to the on going development of the ground not being completed.

In 2007-8 the ground had been given a higher rating allowing them to compete in matches at a higher level and gain promotion if they finished in any of the top places. Bewdley Town FC also made history in this season, when they were allowed to enter the F.A. Vase for the first time, where they reached the third round proper, losing to higher ranked opposition Coventry Sphinx. The following season saw Bewdley make their appearance in the FA Cup, although short lived, when they lost at home to Midland Alliance side Alvechurch FC.

The last few seasons, have seen Bewdley Town, under the guidance of joint managers Craig Payton and Brian Lacey, become one of the top sides in the West Midlands Regional League. Their attractive style of football has made them one of the hardest sides to beat, and one which has attracted supporters from all over the country.

Work is on going at Ribbesford Meadows, as the committee and loyal band of volunteers continue to develop the ground for higher levels of competition. Their hard work and achievement, was recently recognised by an award from "Groundtastic Magazine" for the best stand in the lower levels of non league football and narrowly missed winning best ground in the same category, they have recently attained the necessary grading to allow them to proceed up the non league ladder.

The 2008/09 season saw Bewdley Town reach the final of the Worcestershire Senior Urn, losing narrowly to Midland Football Alliance side Studley 3-2 at Aggborough, although many thought they were unlucky to do so. However two years later in the 2010/11 season, they gained their revenge beating Studley 2-1 in front of a crowd of over 500.

The 2011-12 season saw Bewdley become a strong cup side, they again reached the final of the Worcestershire Senior Urn, where they retained the trophy, once again in front of a 500+ crowd beating Alvechurch FC from the Midland Football Alliance, coming from a goal down to win 3-2. They also nearly caused an upset in the FA Cup, where after progressing through to the 2nd Qualifying round, they very nearly claimed the scalp of Evostik Southern Premier League side Stourbridge, leading 1-0 with 13 minutes of the game left, but eventually losing 2-1, their victors progressed through to the 2nd round proper.

In the 2011/12 season saw Bewdley Town enter a team in the new Under 21 league of the Midland Combination, the first season

saw them finish a creditable 4th place in a strong league with a number of academy sides. Season 2012/13 also begins a new chapter, with a new Under 18's and our Under 14's entering the Midland Junior Premier League, playing on Saturday mornings, where, very much like the Under 21's, the competition will be against strong academy sides. The introduction of these teams bodes well for the future of Bewdley Town FC, with a direct route now through from Youth to 1st XI football and beyond, which the club has continued to pursue since the introduction of the Mini Kickers.

Bewdley Town were awarded the Charter Standard Adult Status in April 2012 and together with their successful Youth Section, are striving towards Community Club Status.

At the end of 2012/13 season, Bewdley added to the trophy cabinet by winning both the Worcestershire Infirmary Charity Senior and Junior Cups with the 1st team beating Malvern Town 4-3 and the Under 21 beating the same opponents 2-1.

May 2014 saw an era come to an end, when joint managers Craig Payton and Brian Lacey decided to retire. The position of 1st team manager was handed over to the vastly experienced Phil Mullen with former Kidderminster Harriers striker Paul "Ocker" Davies as his number 2.

The 2014-15 season was a struggle for the new look Town, as, not only did the club have new managers, but also had a new team, with a number of the "older heads" deciding to retire, leaving Phil no option but to look to youth. Town finished the season in 17th position, well clear of relegation, but the final game of the season saw them regain the Worcestershire Infirmary Charity Senior Cup with a 1-0 win again at Malvern Town.

The 2016-17 season saw the reintroduction of a second team, having been accepted by the West Midlands Regional League, they will compete in Division 2. The team will be under the joint leadership of Wayne Payton and Russ Godfrey giving a much needed link from the youth section to adult football.

This season saw the club enter and win the Smedley Crooke Charity Cup with a victory on penalties against Coton Green. The 1st team finished in a creditable 6th position in the league having been as low as 17th at the beginning of January, the Reserves in their 1st season finished 14th.

During the close season, the club also obtained an FA grant enabling them to have major drainage work done to the main pitch, hopefully this will mean no mid season break due to waterlogging as has happened in previous years.

The 2019-20 season although wiped out through the coronavirus pandemic would have been a successful one for the club, as at the time the season was curtailed, the 1st team were sitting second in the league and very close to promotion to the 5th tier of the non league pyramid.

The season was also blighted by some of the most severe flooding in the area, which effected large portions of the pitches and surrounding area's. Thanks to funding from the Football Foundation, local grants and the generosity of supporters, the club were able to carry out extensive work including new fencing, a new block toilet facility and numerous other changes to the facilities.

The new season 2020-21 has seen the reintroduction of the Under 21 team which will be playing in The Midland Football League U21 West division under the stewardship of Phil Gates, this once again provides the link between junior football and senior and can only be good for the future of Bewdley Town Football Club. For the season 2021-22 the Under 21's became the Reserve team and entered the MFL Division 4 / Reserve league.

The 2020-21 season followed the same fate as that of the previous season being curtailed by the pandemic. However, Bewdley had a great run in the FA Vase reaching the 2nd round proper for the 1st time in their history unfortunately losing 3-1 away to Radford FC. Due to their cup run and a number of games effected by Coronavirus, the 1st team only managed to play 4 league games, however the restructuring of the non league pyramid went ahead, their record was added to that of the previous season, and with a superior points per game record, were promoted to the 5th tier for season 2021-22 into The Midland Football League, where a number of mouth watering "derby" ties would be available, including near neighbours Stourport Swifts.

The 2022-23 season saw further changes for the football club. The management team of Phil Mullen and Paul Davies decided to stand down with Phil taking on the role of General Manager, in charge of all footballing activities within the club and also helping more with the Committee in ground improvements. The managers role was taken up by former Wolverhampton Wanderers player Chris Cornes assisted by former Kidderminster Harriers and Stourbridge local lad Ryan Rowe, their task in their first season was simple, keep the club in the MFL Premier league, which they did. Other changes saw the Reserve team appoint a new manager with former Bewdley Town player Sam Woodhouse taking over, this also saw the return to the West Midlands Regional League, once again reacquainting the club with a league held in great affection with many. Another big and important change saw a new team join the ranks with the formation of Bewdley Town Ladies FC under the management team of Tim Rudd and Matt Preece, they entered the West Midlands Regional Womens League and carry the great name of Bewdley Town FC into a whole new world within football in the Midlands region.
