TODAYS VISITORS

Wantage Town

Wantage Town FC (the Freds) has been affiliated to the Berks and Buck FA since 1892. Prior to this, they played in the Swindon & District North Berks and Reading & District Leagues., achieving success in 1903-04 in the Swindon Advertiser Cup, which they repeated in 1907-08 as well as becoming the League Champions.

After the 1st World War, the Freds briefly played in the North Berks League, winning the North Berks Cup in 1920 and 1921 and the Championship in 1921-22. After a brief period playing in the Reading & District League with no success then re-entered the Swindon & District League, winning the title in 1933-34. The Fifties was the most successful period for the Club, winning the League in 1952-53 (without losing a game) and again in 1955-56, while in 1954-55, the Freds won no fewer than five cup competitions, including the Berks & Bucks Intermediate Cup. Since joining the Hellenic League in 1956, Wantage have spent most of their seasons in the Premier Division, Their best finish in the Premier Division had been third place on three occasions - 1973-74, 82-83 and 93-94 but have won promotion from Division 1 on six occasions - as runners-up in 1969-70, 1987-88, 1991-92 (where they set a club record of 32 games unbeaten) and 1995-96, and as Champions in 1980-81 and 2003-4.

Season 2003/2004 was one of the Freds most successful. The First Team won Division One East to regain its position in the Premier League of the GLS Hellenic Football League, and the Reserves finished top of their league, also winning promotion. The Reserves success was repeated in 2004/2005 as they secured the Reserve Division One title. The First Team consolidated their Premier League status, finishing in 10th place. In 2010-11, the Freds won the Premier League title, but despite great effort on the part of the Club management, they were not promoted to the Southern League due to ground grading criteria not being achieved. In the 2012-2013 season, the club achieved the Southern League Ground grading, but finished runners-up to a very strong Marlow, and again missed out on promotion.

The 2013-2014 saw a great season for the Freds . The First Team won the UHlsport Hellenic Premier league title, and with the appropriate ground grading in place, promotion to Division One (South and West) of the Southern League. The Reserves, as Runners Up, were promoted to Division One (West) of the UHlsport Hellenic League, and the 'A' Team squad also gained promotion from the North Berks League to Division Two (West) of the UHlsport Hellenic League. Despite the turbulent start of season 2014-15, which saw a change of management in the First Team and a number of key players depart, the First Team retained their position in Division One (South and West) of the Southern League, and the Allied Youth team win the Allied County Cup.

The Freds remained in the Southern League for three years, before seeing relegation back to the Hellenic League at the end of the 2016-17 season. In 2018-19, the Freds won the UHlsport Hellenic Premier title for the third time and regained their place in the Southern League, this time in the Division 1 Central section. The Reading Senior Cup was won for a further two times, in 2017-18 and 2018-19.

The following two seasons at the higher level were not completed due to the Covid-19 pandemic, but they finished bottom at the end of 2021-22 and were relegated back to the Hellenic Premier League for the 2022-23 season.

Following the installation of the floodlights in 1996, the Club has continued to invest in the upgrading of the facilities at Alfredian Park. In the past sixteen years the main pitch has been renewed and a training pitch has been established. Two new and additional pitches have been formed north of the Clubhouse, enabling five full sized pitches (including the adjacent School pitches) to be used by the growing number of teams supported by the Club. The old stands have been replaced with a new stand.

The Club also continue to invest in Youth football, including an Allied Counties team, a Junior section, as well as supporting Nursery football (4 to 6 years old), and teams from under 7 to under 15 for boys and girls thus cementing the Club's growing involvement with football at all levels.

IF you want to see some goals, it looks like Whitley Bay and Retford United are the places to be. That was certainly the case in July and August. This season we're teaming up with the guys at Non-League HQ - find them on X - to bring monthly stats from across the Pyramid.

It promises to show a snapshot into how teams and players are performing each calendar month. Perhaps the table shows they're struggling but a deeper look may show a team is in fact one of the most in-form sides around.

Our first instalment shows Whitley Bay scored 27 times in the opening period of the season as did Retford at Step 6 - although Cranfield are just a goal behind them. Of course Steps 1-4 started a little after Steps 5 and 6 but it will be fascinating to see how things unfold throughout the campaign.

We'll also be highlighting the players. At the end of August, the top scorer across Non-League football was Zak Khan.

The Route One Rovers man hit 13 goals including three hat-tricks for the Northern Counties East League Division One side.

He was closely followed by Alnwick's Euan Potts and Step 5's leading scorer from Penrith, Luke Hunter, who both ended August on 12. Potts has also grabbed two trebles, while Hunter led the way when it comes to consecutive games he scored in with nine. The closest player to that sequence is Oxhey Jets' James Barnett with six games on the spin.

At Steps 1 to 4 - having not played as many games - National League North duo Michael Gyasi, the King's Lynn Town striker, and Scarborough Athletic's Stephen Walker were the most profitable in the opening month with seven goals each.

The stats will focus on different areas throughout the season but we can't wait to see how the Golden Boot races unfold.

And who knows where these goal getters might end up. In last week's NLP, Tony Incenzo spoke to QPR's new signing Richard Kone.

It seems incredible the striker, who the Hoops recently signed from Wycombe Wanderers, was playing for Athletic Newham in the Essex Senior League a couple of years ago.

The 22-year-old scored 125 goals for the Non-Leaguers while visa issues were sorted to allow him to move into the full-time game.

"I was playing against tough men week in, week out," he said. "It helped me discover how to overcome physical defenders."

His rapid rise will be a real inspiration to so many. After all, goals pay the bills. And they also help draw in the crowds! Whitley Bay and Retford are certainly on our ones to watch in September!

BEWDLEY TOWN F.C.

A BRIEF HISTORY

Bewdley Town Football Club, as it is now known, was formed in 1978, following over 90 years competing under various local names, one of which has been resurrected recently by the youth section as Bewdley Comrades.

The club was formed with the merger of two local teams, Bewdley Old Boys F.C and Woodcolliers FC, the latter who played on a Sunday and both originally playing at Gardeners Meadow in Bewdley. The ground at Gardeners Meadow was sold for re-development which meant the club had to seek a new venue and moved temporarily to Kidderminster. A massive fundraising project commenced, which enabled the club to purchase land and return to Bewdley, to their home Ribbesford Meadows under the guidance of Robert Burns.

After playing in the Kidderminster and District Leagues, the main senior side under the management of Craig Payton and Chairman Geoff Edwards, joined in 1999, the West Midlands Regional League Division One South. Prior to this Ribbesford Meadows had been an on going project, providing football facilities for all ages including, youth football in the Stourport and District League and Midlands Floodlit League, adult football in the Kidderminster and District League, and can boast being one of the first clubs in Worcestershire in 1993 under FA Coach Chris Middleton to start a Mini Soccer Centre. This centre is still in operation, and draws children of all abilities from the age of 4, from all areas of the Wyre Forest region, under the expert tuition of FA Coach Wayne Payton and co-ordinator Jo Payton, and their team of qualified coaches.

In 2005, Bewdley Town finished runners up in Division 1 and gained promotion to the West Midlands Premier League, however in order for them to compete at this level, they had to rent the facilities of near rivals Stourport Swifts. In 2006 permission was granted to build stands and erect floodlights, and in their second season, finished third in the league, having lead for much of it, only being thwarted from possibly winning the league, by bad floods meaning them having to play a large number of games in a short period at the end of the season eventually having its toll on the players, if they had won the league however, they would not have been granted promotion due to the on going development of the ground not being completed.

In 2007-8 the ground had been given a higher rating allowing them to compete in matches at a higher level and gain promotion if they finished in any of the top places. Bewdley Town FC also made history in this season, when they were allowed to enter the F.A. Vase for the first time, where they reached the third round proper, losing to higher ranked opposition Coventry Sphinx. The following season saw Bewdley make their appearance in the FA Cup, although short lived, when they lost at home to Midland Alliance side Alvechurch FC.

The last few seasons, have seen Bewdley Town, under the guidance of joint managers Craig Payton and Brian Lacey, become one of the top sides in the West Midlands Regional League. Their attractive style of football has made them one of the hardest sides to beat, and one which has attracted supporters from all over the country.

Work is on going at Ribbesford Meadows, as the committee and loyal band of volunteers continue to develop the ground for higher levels of competition. Their hard work and achievement, was recently recognised by an award from "Groundtastic Magazine" for the best stand in the lower levels of non league football and narrowly missed winning best ground in the same category, they have recently attained the necessary grading to allow them to proceed up the non league ladder.

The 2008/09 season saw Bewdley Town reach the final of the Worcestershire Senior Urn, losing narrowly to Midland Football Alliance side Studley 3-2 at Aggborough, although many thought they were unlucky to do so. However two years later in the 2010/11 season, they gained their revenge beating Studley 2-1 in front of a crowd of over 500.

The 2011-12 season saw Bewdley become a strong cup side, they again reached the final of the Worcestershire Senior Urn, where they retained the trophy, once again in front of a 500+ crowd beating Alvechurch FC from the Midland Football Alliance, coming from a goal down to win 3-2. They also nearly caused an upset in the FA Cup, where after progressing through to the 2nd Qualifying round, they very nearly claimed the scalp of Evostik Southern Premier League side Stourbridge, leading 1-0 with 13 minutes of the game left, but eventually losing 2-1, their victors progressed through to the 2nd round proper.

In the 2011/12 season saw Bewdley Town enter a team in the new Under 21 league of the Midland Combination, the first season

saw them finish a creditable 4th place in a strong league with a number of academy sides. Season 2012/13 also begins a new chapter, with a new Under 18's and our Under 14's entering the Midland Junior Premier League, playing on Saturday mornings, where, very much like the Under 21's, the competition will be against strong academy sides. The introduction of these teams bodes well for the future of Bewdley Town FC, with a direct route now through from Youth to 1st XI football and beyond, which the club has continued to pursue since the introduction of the Mini Kickers.

Bewdley Town were awarded the Charter Standard Adult Status in April 2012 and together with their successful Youth Section, are striving towards Community Club Status.

At the end of 2012/13 season, Bewdley added to the trophy cabinet by winning both the Worcestershire Infirmary Charity Senior and Junior Cups with the 1st team beating Malvern Town 4-3 and the Under 21 beating the same opponents 2-1.

May 2014 saw an era come to an end, when joint managers Craig Payton and Brian Lacey decided to retire. The position of 1st team manager was handed over to the vastly experienced Phil Mullen with former Kidderminster Harriers striker Paul "Ocker" Davies as his number 2.

The 2014-15 season was a struggle for the new look Town, as, not only did the club have new managers, but also had a new team, with a number of the "older heads" deciding to retire, leaving Phil no option but to look to youth. Town finished the season in 17th position, well clear of relegation, but the final game of the season saw them regain the Worcestershire Infirmary Charity Senior Cup with a 1-0 win again at Malvern Town.

The 2016-17 season saw the reintroduction of a second team, having been accepted by the West Midlands Regional League, they will compete in Division 2. The team will be under the joint leadership of Wayne Payton and Russ Godfrey giving a much needed link from the youth section to adult football.

This season saw the club enter and win the Smedley Crooke Charity Cup with a victory on penalties against Coton Green. The 1st team finished in a creditable 6th position in the league having been as low as 17th at the beginning of January, the Reserves in their 1st season finished 14th.

During the close season, the club also obtained an FA grant enabling them to have major drainage work done to the main pitch, hopefully this will mean no mid season break due to waterlogging as has happened in previous years.

The 2019-20 season although wiped out through the coronavirus pandemic would have been a successful one for the club, as at the time the season was curtailed, the 1st team were sitting second in the league and very close to promotion to the 5th tier of the non league pyramid.

The season was also blighted by some of the most severe flooding in the area, which effected large portions of the pitches and surrounding area's. Thanks to funding from the Football Foundation, local grants and the generosity of supporters, the club were able to carry out extensive work including new fencing, a new block toilet facility and numerous other changes to the facilities.

The new season 2020-21 has seen the reintroduction of the Under 21 team which will be playing in The Midland Football League U21 West division under the stewardship of Phil Gates, this once again provides the link between junior football and senior and can only be good for the future of Bewdley Town Football Club. For the season 2021-22 the Under 21's became the Reserve team and entered the MFL Division 4 / Reserve league.

The 2020-21 season followed the same fate as that of the previous season being curtailed by the pandemic. However, Bewdley had a great run in the FA Vase reaching the 2nd round proper for the 1st time in their history unfortunately losing 3-1 away to Radford FC. Due to their cup run and a number of games effected by Coronavirus, the 1st team only managed to play 4 league games, however the restructuring of the non league pyramid went ahead, their record was added to that of the previous season, and with a superior points per game record, were promoted to the 5th tier for season 2021-22 into The Midland Football League, where a number of mouth watering "derby" ties would be available, including near neighbours Stourport Swifts.

The 2022-23 season saw further changes for the football club. The management team of Phil Mullen and Paul Davies decided to stand down with Phil taking on the role of General Manager, in charge of all footballing activities within the club and also helping more with the Committee in ground improvements. The managers role was taken up by former Wolverhampton Wanderers player Chris Cornes assisted by former Kidderminster Harriers and Stourbridge local lad Ryan Rowe, their task in their first season was simple, keep the club in the MFL Premier league, which they did. Other changes saw the Reserve team appoint a new manager with former Bewdley Town player Sam Woodhouse taking over, this also saw the return to the West Midlands Regional League, once again reacquainting the club with a league held in great affection with many. Another big and important change saw a new team join the ranks with the formation of Bewdley Town Ladies FC under the management team of Tim Rudd and Matt Preece, they entered the West Midlands Regional Womens League and carry the great name of Bewdley Town FC into a whole new world within football in the Midlands region.
